Leadership Experience

Spring 2017- Present

Facilitator, Student Organization for Leadership Consultants, University of Rhode Island

- Facilitate and debrief activities on retreats for student organizations
- Accomplish goals that the organization wanted to achieve at the retreat
- Plan an agenda and collaborate as a team with co-facilitators, the lead, and shadows
- Create a welcoming inclusive environment for all participants
- Encourage active participation of every participant
- Maintain a positive, motivating attitude and be adaptive and ready to change the agenda on the fly
- Continuously expand my skills of Interpersonal communication, teamwork, and working with diverse groups with different backgrounds

September 2017

Peer Leader, Leadership Institute, URI's Alton Jones camp

- Mentored a group of sixteen incoming freshmen while working with my partner
- Taught students about the Four Agreements
- Facilitated and debriefed multiple activities
- Connected with the students and encouraged them to think on a deeper level throughout the three days
- Fostered an inclusive environment so that everyone felt comfortable and welcomed

Spring 2017

Student, First-Year Leaders Inspired to Excellence (FLITE), University of Rhode Island

- Discovered my top five strengths and values and applied them to Leadership
- Learned about different models and theories of Leadership
- Mentored by an upperclassman student who helped to clarify confusion
- Demonstrated teamwork in a group to complete a project from start to finish about the Social Change Model

Fall 2016

Open House Leadership Ambassador, University of Rhode Island

- Educated prospective students about the Leadership Studies minor and advocated for the Leadership Institute
- Answered any questions that the prospective student or parent might have had
- Engaged in conversations with prospective students and their families with a friendly, positive attitude

September 2016

Student, Leadership Institute, University of Rhode Island's Alton Jones Campus

- Mentored by two upperclassman students
- Discovered my Leadership Practice Inventory (LPI) and learned the Four Agreements
- Connected with my peers on a deeper level and formed bonds
- Identified and formulated my own definition of a leader and leadership
